Honorable Judge Federico A. Moreno
United States District Court
Southern District of Florida

Miami, Florida 33132

My name is Bishop Julius Nelson, Overseer of Spirit of Truth Redemption Center, in Miami, Florida.

I am also the President of a Community based organization called the Miami Community Police Benevolent Association.

More specifically, this letter was written on behalf of Mr. Donald H. Warshaw – A good man whom I have had the pleasure of knowing personally for the past fifteen (15) years. Within said period, I have had the pleasure and opportunity to work closely with Mr. Warshaw as he worked closely with various communities throughout the City of Miami.

I have witnessed his commitment in resolving community conflicts and introducing resolutions that would bring a divided City of Miami together.

I have witnessed events where Mr. Warshaw personally promoted police and community relations – bridging gaps between the community and the police department.

It is my strong opinion that the high tension that exists between the community and the police presently might not have manifested if Mr. Warshaw was still in place promoting his sensitive proactive solutions.

I have also known Mr. Warshaw more than a Chief of Police, More than a City Manager, but as a close friend of Miami Communities, schools, colleges, churches, and civil organizations. He, during his tenure was

always accessible to all – the old and the young, always promoting honesty, integrity and immense professionalism.

It is my concern that when considering Mr. Warshaw's current dilemma that you also consider the vast and productive contributions he has made to our community at large.

In closing, I want to thank you for considering my letter on Mr. Warshaw's character. My prayer is that this letter will aide you in your decision as well as shed a positive light on a close friend of the Miami-Dade Community, Mr. Donald H. Warshaw.

Sincerely,

Bishop Julius Nelson

Dear Judge Moreno,

I have known Donald H. Warshaw for the last twenty years and worked with him extensively on various City of Miami projects. As assistant to mayors Maurice Ferre and Xavier Suarez from 1981 to 1986 and recently as a member of the CRA Board our paths crossed many times in the pursuit of good and worthwhile projects that benefited the citizens of Miami.

I wish to speak on his behalf at this time and I hope that the many good and worthwhile gestures, accomplishments and projects that Mr. Warshaw was involved in will be taken into consideration at this very trying time of his life.

Donald Warshaw is an inherently good person and I hope he will be given the opportunity, as we all deserve, to begin again. I urge you to consider the total person as you make this most important sentencing decision. I know you to be a fair and just individual and am confident that your decision will be a thoughtful one.

Thank you for your time.

Sincerely,

Carole Ann Taylor
